D. Liquidity Principle Disclosure

Asset and Liability Committee (ALCO) is a senior management-level committee that provides consultation to the CEO for making decisions in order to achieve the goals of asset and liability management that includes liquidity management. It actively monitors and controls exposures across business lines and currencies and regularly provides reports to the Board of Directors (BOD). The mandate of ALCO is dictated by the ALCO Policy that provides guidelines on liquidity management during normal and stressed situations with specific action plans and defined metrics of what constitute a normal or stressed scenarios.

Limits are an important tool used in managing liquidity risk to keep exposures within regulatory requirements and risk appetite. Limits are reviewed annually by management and approved by the BOD. Limits status are monitored and reported to the Risk Committee monthly and to the BOD quarterly for review and approval if a breach were to occur.

Liquidity Coverage Ratio (LCR) as at September 30, 2022 is 1,102%.

Net Cumulative Cash Flow as at September 30, 2022:
